

IN TRACK MEET SATURDAY — The Piper Track Squad, coached by Pat Hughes, will compete in a triangular meet Saturday at Sweetwater. The third team will be Haskell. Pictured are part of the boys on the squad. In the picture upper left are left to right, top row,

Jessie Mendoza and Milton Davis, bottom row, Sammy Ferguson, Phillip Simpson and Louis Shelton. Above right is Jim Bonds who will run the hurdles and at left is Paul Long who will enter the pole vault contest.

Religious Survey Results Released

In the religious survey held here Mar. 5, 6, a total of 528 interviews were made. The estimate of the number of homes in Hamlin is 976, therefore the contacts made reflect 54% of the city.

Forty workers from Abilene Christian College and 15 members of the local Church of Christ made the survey all day Saturday and on Sunday afternoon.

Information concerning 832 persons was obtained, reflecting 759 church members and 73 who were unchurched.

Only 5 of the 528 homes were found to have no Bibles in the home. The total number of Bibles found in the survey was 1,642. Of this number, there were 1,370 King James Version; 104 American Standard; 63 Revised Standard Version; 53 Phillips or New English; 25 Catholic; and 27 others.

The questions asked in the 528 homes on church attendance showed that 7% never attend church, 20% attend church on special occasions; 45% weekly and 28% attend more than once a week. Thirteen percent never attend Sunday School, 23% seldom attend, 62% attend weekly and 2% attend monthly.

McCaulley Church Plans Revival

A revival at McCaulley Methodist Church will be held from Mar. 21 to 27, according to the pastor, Rev. Tommy Ewing.

The evangelist will be Rev. Luther Baker of the Sparenburg Methodist Church, near Lamesa.

Services will be at 7 p.m. each evening and at 9:45 a.m. on Sunday.

Grand Jury Tours County Jail; Recommends Changes to Commissioners At Meeting Monday

Some changes need to be made in the operation of the Jones County jail. That was the observation of the grand jury which toured the jail when they met in a one day session the last of February.

The jail has been the scene of two escapes recently—one on December 5 and another Feb. 8. One escapee remains at large.

The county commissioners court Monday was presented a resolution adopted by the grand jury and signed by Nelson Shave of Hamlin as foreman, recommending that four changes be made.

First, the grand jurors recommend that the jailer be instructed to be more cautious in his handling of the trustees.

Second, that the jailer supervise the janitor work being done in the jail.

Third, that the trustees be locked in cells at night. And finally,

That a full-time cook be hired for the jail, but that the trustees do the cleanup work. Trustees played a leading part in both of the escapes. In December it was a trustee who let a string out an upstairs window to which keys were tied by two outside accomplices. The trustee then unlocked the jail cells, enabling the prisoners to escape.

In the February escape, trustees choked Jailer Arden Beasley and took his keys so that the cells could be unlocked and freedom gained.

When the commissioners considered the resolution Monday, the decided operation of the jail was up to the sheriff. He had the right to do as he saw fit insofar as adopting the recommendations. The

court was emphatic, however, in its rejection of hiring a cook.

Several other items came up for consideration of the commissioners and when expenditure of money was concerned, they were reluctant to take action.

One request was made to buy medicine for a woman

Sue Roddy to Head Local FHA; Car Wash Set Sat.

Sue Roddy was elected president of the Hamlin Chapter of Future Homemakers of America at the meeting at the high school Monday evening.

Other officers chosen in the competitive election were Revonna Kay Robertson, first vice president; Sharon Hawkins, second vice president; Vicki Newland, secretary; Martha Robertson, historian; Beth Craig, reporter; Jerry Elliot, parliamentarian; Pat Perrin, sergeant at arms.

The officers will be installed at the beginning of the fall term and will serve during the 1966-67 school year. Plans were made for a car wash to be held all day Saturday. Funds raised with this project will enable the president and vice president to attend the state meeting in San Antonio.

Any F.H.A. member may be called for pick up and delivery of cars.

who has failing eyesight. The commissioners had previously approved purchase but Monday they questioned the husband of the patient and suggested that he should buy the medicine. An investigation will be made before any further purchases are authorized.

The commissioners passed over the bill for more than \$500 from the Abilene-Taylor County Welfare Unit to cover cost of caring for three children who were placed at the foster home by Judge Owen Thomas of 104th District Court. The children are from Jones County and were declared dependent children by the court.

County Judge Leon Thurman was instructed to check further in the case and determine the extent of the county's liability. "This could go on for months and we have no provision in our budget for such heavy expenditures," one commissioner said.

The court heard a proposal of a contractor to make repairs to the mortar between the bricks and stone of the courthouse but took no action, telling the man that the court would have to advertise for bids before such work could be done.

Approval was given the First National Bank of Anson to sell some bonds which had been pledged as security for county funds, and purchase others which carry a heavier interest rate.

Easter Seal Drive Tuesday Nets \$823.38

A total of \$823.38 was collected in the first phase of the annual Easter Seal Drive Tuesday downtown and in the door to door residential drive Tuesday evening.

Workers from the 2 Chapters of Beta Sigma Phi Sorority, members of Future Homemakers of America, and other volunteers worked during the drive.

The drive continues through next week when the cards will be distributed at the schools and April 2 when the Lily Sale will be held downtown.

Not included in the above amount is the money that has been pledged by individuals. It is expected that the completed drive will net \$1,200.

City Installs Pay Drop for Water Bills

A pay drop has been installed at the City Hall to allow a more convenient way to pay water bills.

The receptacle on the south wall dispenses envelopes for the payment and also has information on the outside to be filled in. The statement should also be enclosed with the payment.

The paydrop is lighted and payments may be placed there at anytime.

Board Names Committee To Study School Needs

A committee of 17 local citizens was named by the Hamlin School Board at their meeting Monday night to study the building needs of the school system and make recommendations back to the board.

Leldon Clifton was named chairman of the group and the other members will be announced after they have agreed to serve on the committee.

After discussing the problem for three months without

agreeing on a solution, the board voted to name the citizen's committee.

The committee will be given the needs of the system in the way of additional space and equipment needed and will be given the different

Three Cotton Production Meets Set Over County

There will be three Cotton Production Meetings in Jones County on March 21 and 22 according to Jones County agent, Kirby Clayton. The meetings will be held in the Stamford High School Cafeteria at 2:30 p.m. on March 21 and at Hamlin High School Cafeteria at 7:30 on Mar. 21. A third meeting will be held at the Noodle Ag Shop at 9:00 a.m. on March 22nd.

Clayton says that the meetings will feature three specialists in the field of Cotton Production from the Texas A&M University Extension Service, Fred Elliott, Cotton work specialist, B. G. Reeves, Cotton Mechanization and Ginning Specialist; and Emory P. Boering, Extension Area Entomologist will present the program.

All interested farmers are urged to attend one of these meetings.

Singing Sunday

The Jones-Fisher County singing will be held Sunday at 2 p.m. in the Foursquare Gospel Church.

Everyone is invited.

FFA Boys Place High In San Angelo Stock Show

Members of the Hamlin FFA Chapter placed high at the San Angelo Fat Stock Show last week.

Jackie Buske placed first with his summer yearling Angus heifer. He also placed fourteenth in the Angus calf class.

Randy George placed third in the light weight Duroc barrow. Gil Lain placed fourth in light weight Other pure Breeds and Crosses class and fourth in the heavy weight Other Pure Breeds and Crosses class.

Bob Clifton placed fifteenth and nineteenth in the light weight class of the fat steer show.

These FFA members feed under the supervision of T. C. Blankinship and Milburn Wink, local vocational agriculture teachers. Wink accompanied the group to San Angelo.

The Third Sunday singing will be held Sunday at Foursquare Gospel Church at 4 p.m.

Everyone is invited.

Hamlin Band Members Take Part In U.I.L. Solo, Ensemble Contest

Two bus loads of Hamlin junior high and high school band students participated in the U. I. L. solo and ensemble event in Midland Lee High School Saturday.

First division: Rochelle Kincaid, Jan Young, Jana Ferguson, Denise Preston, Thomas Goolsby, Bill Browning, Gary Carson, and Darrell Craig.

Second Division: Debby Hallmark, Karen Jackson, Peggy Jones, Rosendo Morales, C. A. Jenkins, Susan Patterson, Toni Cassey and Keven Me-haffey, flute trio; Peggy Jones, Diane Neal, Mary Wallace, and Jeannie Trotter, clarinet quartet; Tony Lewis, Kathe Christian and Janis George, cornet trio.

Third division: Toni Casey, Susan Patterson, Diane Neal and Don Colley.

High School students received the following ratings:

First Division: Randy Morgan, Joey Duncan, Linda Legan, Rhea Sue Vaughan, Janet Carson, James Knabel, Reba Jackson, Dianna Crowley, John Osbourne, Pat Perrin and Jane Ferguson.

proposals that have been studied by the board, along with the expected costs.

No date has been set for the first meeting of the committee.

Other action taken by the trustees at the meeting was to approve the report of the textbook committee for the books to be used in the system.

The contract terms of B. V. Newberry, Marvin Carlton, Miss Odean Murphree, Mrs. Jerry Smith, T. C. Blankinship, Joe Youngblood, and I. J. Starr were extended for an additional year. The contract of C. F. Cook, superintendent, was extended by the board at a previous meeting.

FFA Livestock Judging Team In Area Meets

Five members of the Hamlin FFA Chapter participated in the Livestock Judging Contest Saturday at the San Angelo Fat Stock Show. They were Randy George, Rick Shamblin, Gil Lain, Jackie Buske, and Bob Clifton.

Chapter members, trying out for the Livestock Judging Team will participate in the Midland Livestock Judging Contest Friday and in the Angelo State College Livestock Judging Contest Saturday.

Next Saturday, March 26, chapter members will enter the livestock and dairy cattle judging contests at Sweetwater.

HIGH SCHOOL WINNERS — Winning first division ratings in solo and ensemble competition in Midland Saturday were left to right, back row, Randy Morgan, Joey Duncan, Linda Legan,

Rhea Sue Vaughan, Janet Carson, James Knabel, front, Reba Jackson, Dianna Crowley, John Osbourne, Pat Perrin and Jane Ferguson.

JUNIOR HIGH WINNERS — First division ratings were given to these junior high school students Saturday in Midland. They are, left to right, back row, Thomas Goolsby, Bill Browning, Dar-

rell Craig, front, Rochelle Kincaid, Jan Young, Jana Ferguson and Denise Preston. Not pictured is Gary Carson.

Gibson, Billy Hodnett, Gary Don Maberry, Hector Orona, Charlie Shira, Gary Smith, Mike Owen, Robert Bolden, Charlie Pearce, James Holt, and Jerry Covington. The manager is Leldon Lewis Clifton. —(Tim Jones Photo)

Eldon Mahon Makes Statement In Bid for Congressional Seat

Eldon Mahon, Abilene attorney and businessman, has issued the following statement concerning his candidacy for the office of U. S. Congressman from the 17th District:

"I feel that there is a definite need for change in our district's representation in Washington. If I didn't feel this way — and if I had not found a substantial amount of agreement among voters with whom I've talked — I wouldn't be making the race.

"My reasons for feeling that we need a change are based on my belief that our district has not always been represented in the past with the kind of initiative and enthusiasm I think is required to get the results our district needs and deserves.

"Since announcing my candidacy originally, I have personally visited all twenty-four counties of the new 17th district and have been extremely gratified by the widespread support and encouragement I've encountered. There appear to be many who feel as I do that it is time for a change.

"If elected, I will start working immediately upon my arrival in Washington to be assigned to those committees which deal with the problems directly affecting our new district, and in this way endeavor to get something concrete accomplished for it.

"The scene of action is now in the national Congress. We of the new 17th district must make our voice heard in Washington, stronger than it has been in the past. We need a representative who is truly concerned with the new 17th district's needs, one who will listen closely to all the people, then champion their interests in an aggressive, effective manner. If elected, I intend to be that kind of Congressman.

"Although I have been a Democrat all my life, I will not be a 'rubber-stamp' Congressman for the Administration's programs. Nor on the other hand, will I be a rubber-stamp opponent of measures that mean real progress. . . .

ELDON MAHON
... Seeks House Seat

saying 'no' automatically each time a worthwhile new proposal comes up.

"I believe that too much control of our government's affairs has passed out of the hands of Congress, and into the hands of the regulatory and administrative agencies. This authority, which has been lost by default, must be reclaimed by the Congress. The trend of surrendering authority to agencies and commissions — who are supposed to administer the laws instead of make them — should be halted. I think it is time that Congress recognize this usurpation of its power and authority, then the people lose theirs, for Congress is the voice of the people.

"One of my most important objectives is to get something done about our district's water situation. There is no greater problem facing the new 17th district than the need for adequate water, now and in the future. I will work for and support any feasible legislation that promises to create greater water resources for our area. Such legislation is a must, because we don't have enough water as it is, and to neglect it further would be to compound a tragedy. The problem is of such magnitude that it is going to require great study, imagination

and vision to solve it. I, for one, am ready to begin.

Farming is another area in which something must be done that would be of direct benefit to our district. I believe that the present Omnibus Farm Bill places too much authority in the hands of the Agricultural Department and its Secretary. A glaring example of this is the arbitrary policy ruling by the Department which changes skip-row planting in such a way that it works a great hardship on most of our district's farmers. If elected to Congress, I will start working at once to get skip-row planting rules amended so that our farmers can again engage in the kind of farming that is most productive and profitable for them.

"The oil and gas industry is, of course, vital to all of us in the district — as a Congressman — I would support legislation aimed toward putting it in a healthier condition. Oil and gas is a prime business — an indispensable business — and contributes heavily to the welfare of the district. I am in full accord with the 27 1/2% oil depletion allowance, and would resist any measure that would seek to change it.

"As to my position on government spending, I might point out that I have always been opposed to excessive federal spending, and see no excuse whatever for the kind of waste in government that we have tolerated in the past. There is no justification for deficit spending except during times of national emergency. These are prosperous times and it is now that we should be paying the national debt, rather than creating more of it. After all, if we don't pay off our debt during good times, when do we pay it?

"Regarding Viet Nam, I will always support an unyielding stand against communism, and I feel that there is no other tenable position for us to take in Asia than that which the President has taken. We simply cannot afford to be soft toward an ideology that has set out to destroy our own way of life. At all times, of course, I believe we should keep the doors open for possible negotiations that would bring about a

peaceful solution to open conflicts such as we have in Viet Nam. Our goal there is to stop aggression on the part of the communists toward a peaceful people who have every right to seek their own destiny."

Mahon is running for the congressional seat now held by Rep. Omar Burleson of Anson. He is a native of Lorraine, Texas, son of a pioneer West Texas family, and a graduate of McMurry College and the University of Texas.

A former District Judge and District Attorney, Mahon is a partner in the Abilene law firm of Mahon, Pope and Glandon, and is a partner and general manager of radio station KVMC in Colorado City, in addition to maintaining farming interests in Mitchell County, Texas. His wife is a registered nurse, a graduate of Hendrick Memorial Hospital School of Nursing in Abilene, where they own their own home.

Mahon is on the board of trustees of McMurry College, is active in the Chamber of Commerce, the Lions Club and many other civic organizations, and is an overseas veteran of World War II.

SYLVESTER NEWS...

By Mrs. R. M. Babb
It is a beautiful day this Monday, just hope it continues for a few days but guess if it does all the fruit trees will bloom and get killed, surely hope not.

We had a nice number in Sunday School and church on Sunday even though there were several of the regular members' out. We were glad to have Mrs. Buddy Williams and daughters of Big Spring with us.

Our sympathy to the family of Herbert Williams, his funeral was held on Monday p.m. We shall miss Herbert.

In the Gordon Davis home over the week end were their son and family of Midland.

Buddy Williams and family of Big Spring visited in his Mother's home over the week-end.

Johnny Tankersly of Ft. Worth spent the weekend in the home of Ernest Kiser.

Mr. and Mrs. Joe Spikes, Mr. and Mrs. Derwin Maberry and children of Abilene spent Sunday in the Roy Kiser home.

Mrs. Homer Pursley's father, Mr. Adams of Sweetwater, spent several days in their home this past week.

Mr. and Mrs. W. B. Brown spent the weekend in Lubbock visiting their son, Bill, and family.

Mr. and Mrs. Willie McTurner spent several days with Mr. and Mrs. Fred Turner.

Mr. and Mrs. Charles Scott and Mrs. Ella spent the day with Butch and Helen, but really it was with J.C. and Hank, in Anson.

Mrs. Carra Perkins is spending a couple of weeks in Lubbock with Raymond and family.

Jamie Beck has been sworn into the Navy and will begin training in Sept. after he receives his Master's Degree from Texas Tech. In June, he will spend the summer months at home.

Thursday night there was an Open House at McCaulley. This was a fine opportunity for parents and other interested individuals to find out what is going on at our school. A large crowd attended. We are not sure whether they came to see what the students are doing in school or to play volleyball. Some of the mothers and fathers showed real athletic potential. Some may even make the team instead of the students.

Friday, while most of the schools in the area had dismissed for the teachers meeting, the doors opened at McCaulley bright and early for another day. There were a few mumbles coming from some of the students but the teachers were very understanding and didn't assign too much homework over the week end.

Having school seemed to bring the boys luck, because Friday the jackets finally arrived. Now wouldn't it be nice if we had a cold spell.

Monday everyone struck out to Anson for the first big skating party of the year.

Tuesday there were many stiff backs and bruises on account of the previous night's activities. If wishes came true we're almost sure it would be Saturday, especially when that alarm rang at 6:30 and some were unable to get up.

Well, the seniors' invitations have arrived, should we say, part of the invitations have arrived. It seems while coach Morgan was sorting out the orders he found we were a few too short, like 75. However we have 250 extra thank you cards on hand. We are not sure whether the company got mixed up or if some of the seniors are counting their chickens before they hatch.

MHS students are engaged in quite an assortment of activities this week. Those who belong to the I-H club see a to be getting that last minute rush before district contests in Wichita Falls next week end.

The boys are getting in shape for the big track meet at McMurry sometime this month. Jeanne Acklin and Martin Hernandez will represent MHS in the Interscholastic Typing Contest.

The FHA girls will be going to the Area Meeting at Mc-

land Saturday. Due to this we are brushing up on our duties.

This week the members are learning the ten national objectives which are: Individuality; Counts Good Health; A Valuable Asset; Jobs, Careers and You; Morals and Manners Matter; Good Family Relations Through Communications; Citizenship Challenges You; Your Neighbors Near and Far; Make Your Money Reveal; and Leisure Time — Constructive Time. Each member should choose one of these objectives and work toward carrying it out.

McMurry Pledges

Abilene — Two Hamlin men have pledged social clubs on the McMurry College campus for the spring semester. They are Roland Doyle Bell, and Jerry E. Duncan. Bell has pledged IHR social club and Duncan has pledged KIVA social club.

Bell, a sophomore at McMurry, is the son of Mr. and Mrs. Byron O. Bell. He is a

social studies major at McMurry.

Duncan, a junior at McMurry, is the son of Mr. and Mrs. Edgar Duncan. His major is business. He is a 1962 graduate of Hamlin High School.

On Honor List

Wanda Kay McCoy, sophomore at Texas Tech's School of Home Economics, was named to the Dean's Honor List for the fall semester.

To be eligible, a student must earn a semester grade-point average of 3.00 or above.

Kay is the daughter of Mr. and Mrs. J. E. McCoy Jr.

Volleyball Meet

The Anson Volunteer Fire Department will sponsor a men's and women's volleyball tournament Mar. 24-26 at the Anson High School Gym.

All area teams are invited to participate and may contact Jack Pitcock at VA 4-1204 or Dennis White at VA 4-1589 in Anson. Entry fee will be \$8 per team.

FAIRVIEW NEWS...

By Mrs. Elmer Joiner
This Monday morning is the second pretty day of March. Sunday being a lovely day. However this day is not over yet, you never can tell about March weather, before the day is over the whole elements may be full of sand. No rain has fallen recently. Friday night's thunderstorm fizzled out, leaving only a shower.

We are very happy to report that George Waincott is recovering very satisfactorily in the Hendrick Hospital, after having the surgery last Tuesday morning as had been scheduled. No complications have arisen, although it was a painful surgery and what surgery isn't, and if he continues to do as well until Tuesday morning he will be released from the Hospital.

Three ladies from our church attended the all day meeting of the W. M. U. at Neinda Baptist Church, last Monday. Those attending were, Mmes. Fred Rosenbaum, Woodrow Goodwin and Elmer Joiner. A good fellowship was enjoyed and a lovely meal served at noon.

The Fairview Church was the host church last Wednesday night, for the rural church Brotherhood and W. M. U. meeting. Having the Lonnie Doyle family with us, there was no other program. Hearing these missionaries talk and seeing their slides, of their work in Brazil, made us all more aware of mission work than weeks of lessons would have. A love offering for the Doyles was taken. Refreshments of pie, cake, coffee and pops, were served. One other good thing about the meeting was seeing Mr. and Mrs. Johnnie Agnew having charge of the singing once again at their old spot. They were our song leader and pianist for more years than they might like to have told.

Mmes. Woodrow Goodwin, Winson Gray and Elmer Joiner, attended the meeting in Anson, at the Fellowship Hall of the Baptist Church, last Monday afternoon, on Food Preservations. This was

brought by Frances Reason-over, food specialist from A. and M. College. Although most of the older ladies present had learned much of what she told, back in the depression days by hard work and experience, there was still a lot to be learned by her talk by even the oldest of us.

Mrs. Henry was so lonesome Sunday to see some of her children, so when they got home they found a son, Mr. and Mrs. Clois Henry and children, from San Angelo, had come to visit a while.

I saw something last Thursday that did me so much good that I want to share it with the many friends of Mrs. Lois Hampton, of Abilene. It being my day to take her to the Rehab. Center, was waiting for her finish, when I looked up and saw her come walking down the hall, all by herself. They have taught her to walk with the aid of a special crutch, made for those in her condition. She may never run any races, nor get around very fast, but only someone that has been in her condition the last year and a half, can appreciate just getting up on your feet and walking once more, however slow and hard it may be.

Last Monday afternoon, Mrs. Vida Baker and Mrs. Ora McCollough, of Rule, visited their friends Mr. and Mrs. E. A. Henry. Having spent many years in Rule, Mr. and Mrs. Henry have many friends and relatives there. Saturday afternoon, Mrs. Henry attended the wedding gift tea, at that place, for their niece Miss Ann Henry. Miss Henry will be married April 9.

Was nice to have Mrs. Newland's grandchildren in church with her Sunday morning, Doug Elliot, Tavonna and Tamara Newland.

Mr. and Mrs. Joe R. Rosenbaum spent part of the long week end with their parents, Mr. and Mrs. Fred Rosenbaum. Mrs. Rosenbaum teaches in the Pampa schools and like all other teachers and pupils, got Friday off.

Ronald and Jeannie Joiner

took advantage of their school vacation, to spend Friday and Saturday with Granddaddy and Grandmother Joiner.

Mr. and Mrs. Charlie Pyron were Sunday guests of her brother, Mr. and Mrs. Winson Gray, accompanied by their parents, Mr. and Mrs. E. C. Gray, of Anson. After lunch they all went to Sweetwater to see the rattlesnakes. Mrs. Gray said Sunday night she was afraid to go to sleep for fear of dreaming of rattlers.

Mr. and Mrs. W. S. Newland went to Gatesville, last Thursday, to attend funeral services for the infant daughter of Mrs. Newland's nephew, Mr. and Mrs. Kermit Veazey. The infant was three months old and died of a heart defect. They have a son three years old.

Due to the cancellation of the preacher that was coming from Abilene, no preaching was had Sunday morning, but Sunday night, Spencer Liles, from Hamlin, spoke to us. He had been with us before and we do enjoy having him. We still do not have a pastor.

Mr. and Mrs. Woodrow Goodwin and Linda and Mr. & Mrs. Elmer Joiner, went to Abilene Sunday afternoon to visit with the George Waincotts in the Hospital. Then back to Anson Hospital where they visited with their cousin, Webster Beauchamp, a surgery patient. Mr. Beauchamp was scheduled to go home Monday.

You think you
have problems...
**EVERYONE
HAS
PROBLEMS**

"Boy, take it from me, leading a dog's life ain't no bowl of cherries. It's always get offa this and that, and boy, what happened to me, when I turned over the lamp!"
Our life may not be a dog's life, but everyone does have problems and always will. God does not promise that even his good and faithful children would be without problems, but He does promise strength to bear our problems. Attend church Sunday, renew and strengthen your life by leaning on the Lord.

OLD GLORY...

By Judy White

Old Glory teachers hosted the Stonewall County Teachers Association meeting here in the cafeteria last Thursday night. Entertainment was furnished by the one-act play cast and magic tricks were performed by Mrs. Mordant McKinney of Rule.

Linda Gholson, student at Odessa College, is a patient in the Stamford Hospital. Her parents, Mr. and Mrs. Cliff Gholson, went to Odessa after her when she became ill last week. Speedy recovery Linda.

Mrs. Thomas Letz of Lubbock spent the week end here visiting her parents, Mr. and Mrs. Carlton Pierce, and also Thomas's parents, Mr. and Mrs. Charlie Letz.

Ann Vanderworth, student at Texas Christian University in Fort Worth and one of her girl friends spent the weekend here visiting Ann's grandparents, Mr. and Mrs. Charlie Letz, and Mr. and Mrs. Oscar Vanderworth.

Mrs. Ed Mischer of Abilene suffered a broken arm from a fall while she was here visiting relatives last week.

pital several days last week. We wish her a speedy recovery.

Old Glory had .35 inch of rain with a little hail last Friday night, March 11. In checking our records we found this community had .35 inch of rain Mar. 11, 1965, which was the only rain we recorded in March last year.

Visitors in the home of Mr. and Mrs. Bill Tipton last week were their granddaughter and family, Mr. and Mrs. Donnie Williams and Rachel Ann. Mr. Williams returned from Viet Nam last week where he completed duty with the armed forces. Mrs. Williams is the former Donna Bradshaw. Mr. and Mrs. Tipton took them back to Kentucky where they will make their home. The Tiptons are also planning to go to Alabama during their trip to visit their daughter and family there.

STONEWALL 4-H HORSE CLUB ORGANIZED

The Stonewall County 4-H Horse Club was organized Monday night in the county Courtroom. Officers were elected with Susan Martin serving as president, Tommy Walker as vice president, and James Branch as secretary.

A total of 24 kids and 11 adults attended the meeting.

On March 20, at the Rodeo Grounds in Aspermont, there will be the first practice day for the club. Anyone who wants to join, may do so until then.

VARIETY CLUB

The Old Glory Variety Club met in the home of Mrs. Beno Hertenberger last week. Refreshments were served to eight members. Games of 84 were played. The next meeting will be in the home of Mrs. Charlie Letz March 29.

Mrs. Kuno Mischer was a patient in the Stamford Hos-

National Cotton Council Urges Passage of Cotton Research and Promotion Act by Senate, Producers

Memphis, Tenn. — Unless something more is done to reduce the cotton carryover, growers will face further cuts in acreage and the entire ec-

onomy of cotton areas will suffer heavily.

Leading producers across the Belt believe the only solution is to develop better cotton products and to sell them in greater volume, the National Cotton Council points out. This cannot be accomplished without greater increased funds for research and promotion.

A mechanism to permit growers to build such funds is provided for in the Cotton Research and Promotion Act, developed by producers. Recently passed by the House of Representatives, the measure would allow growers to vote on establishing a uniform assessment of \$1.00 per bale for research and promotion.

Producers point out passage of the bill by the U. S. Senate, and a favorable vote in the referendum, could mean life or death to incomes of farmers and areas dependent upon cotton.

Most areas soon will feel the ill effects of this year's drastic cuts in acreage. There are strong indications this is only the beginning unless something is done to reduce the carryover which is due to hit a record 16.5 million bales this year.

Cotton now is competitive in price with rayon and foreign cotton. However, it is losing out to the higher-priced fibers, such as nylon and polyester. These fibers now have a total market in the U. S. that equals nearly seven million bales of cotton. Over two million bales were gained in the past two years.

New plants with capacity equivalent to more than 3.5 million additional bales of cotton are scheduled to be operational by the end of next year.

In 1961, growers began boosting research and promotion through the Cotton Producers Institute. With a voluntary assessment of \$1.00 per bale, they raised \$3 million a year. Then CPI's income leveled off and threatened to drop.

Producers were stymied by the problem of how to get a reasonably uniform collection from some 500,000 different farmers across the Belt. Man-made fiber producers do not face this problem; their small boards of directors can provide funds without hesitation.

The Cotton Research and Promotion Act would give farmers the opportunity to unite their actions and funds. This would occur when at least two-thirds of the farmers voting in a referendum, or farmers producing two-thirds of the volume grown by those voting, approve the plan. If a farmer did not want to participate, his money would be refunded without argument.

A group of trustees composed of farmers elected by cotton producer organizations in various states would have full responsibility for developing and carrying out the research and promotion program.

The \$1.00-per-bale rate could not be changed unless farmers vote to do so in another referendum. Funds will be col-

named by the Secretary of Agriculture from a list of nominees chosen by producer organizations. The Board in turn will contract with the producer-elected trustees for expenditures.

Use of funds to influence legislation, or for other political purposes, is specifically prohibited by the Act.

If farmers desire, the program can be eliminated. On petition of 10 per cent of the number of farmers voting in the initial referendum, another referendum must be held. A simple majority of those voting, and producing 50 percent of the volume represented by those voting, can terminate the program.

Application Blanks for Medicare Benefits Available At Post Office

Postmaster Perry Sparks of the Hamlin Post Office announced today that application blanks for supplemental Medicare benefits are available at the service counter of the Hamlin Post Office.

The application blanks are being made available as the Social Security Administration seeks to contact 3.1 million senior citizens before a March 31 deadline imposed by the Medicare law.

President Johnson has proclaimed March as "National Medicare Enrollment Month." He urged all federal agencies and all citizens to cooperate in enrolling senior citizens in the program.

Initially, some two and one-half million application blanks were distributed to nearly 34,000 main post offices

throughout the 50 states. Additional forms are available as needed.

Through direct mailings and other means, the Social Security Administration has had contact with 16 of the 19.1 million citizens who will be 65 or over on July 1. Of the 16 million who replied, less than one million said they did not want to sign up for the supplemental program.

The supplemental program costs \$3 a month and provides doctor bills and other benefits. Everyone 65 and over is eligible for the basic hospital benefits under Medicare.

A copy of the application blank is displayed on the lobby bulletin board of the Hamlin Post Office.

Senior citizens who reached 65 before 1966 face a two year

delay if they do not sign up by March 31. The application forms are preaddressed to the Social Security Administration in Baltimore, Maryland.

The Senior Class has been busy these past few weeks getting ready for the coming play, "Tiger House," a mystery, will be presented April 1. Tickets will be available soon from members of the Senior Class.

Many of the band members have been hard at work getting ready for their Solo and Ensemble Contest. The members journeyed to Midland Saturday. For many all the work and worry seemed unimportant when they won first, second, or third.

"The Leader of the People," a touching drama based on a story from John Steinbeck, has been chosen for presentation in the district one-act play contest at Stamford on

March 29. Mrs. Charles Scott will direct the play.

Chosen as the cast are Jimmy Hawkins, Randy Morgan, June Hill, Sue Roddy, Dalton Lyon, and Jimmy Stuart. Assisting in the production are Geneva Ward as student aide and Larry Braley and Robert Moore as stage crew.

Stage Degrees have been finished and sent on their way. The FHA girls have worked long and hard on these degrees. The FHA met Monday night, for the election of new officers.

On Mar. 5 the band went to Sweetwater and won first in sight reading. The Lewisville band won first in concert.

The U. S. Supreme Court in George Washington's administration was composed of a chief justice and five associate justices.

Clayton Urges Livestockmen To Report Larvae

Screwworm eradication program officials are concerned because of the number of larvae samples they have been receiving is at an all time low according to Jones county agent, Kirby Clayton. If any screwworms survived the cold winter weather, they could be going undetected, Clayton says.

The agent urges local farmers and ranchers to get back into the habit of checking for screwworm infestations and reporting all suspected cases, along with a sample collection to the local county agent's office for identification.

Clayton also urges ranchers and farmers to treat all wounds and infestations to keep screwworm infestations down to a minimum. Sample collection kits are available at the local county extension

If the first part of your vehicle identification number is here, you might be a winner.

Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—\$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past few weeks. And every week there are 72 new winners posted on the showroom wall. So watch for next week's list of new symbols in this newspaper.) No slogan to

invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number. While you're in the showroom, get a good look at the Buick Special. The \$2332.00* happens to be its price. *Manufacturer's suggested retail price for Special V-6, 7-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge.

Contest Rules. Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan by mail for comparison with their own vehicle identification number. An official entry form will be included. Roy Arledge Makes Statement In Bid for Re-Election to House

State Representative Roy Arledge, successful West Texas businessman and veteran civic worker, has announced his candidacy for re-election in District 62F which is composed of Haskell, Jones and Taylor counties.

"I am offering my services based on my record and experience," Arledge said. "While in the Legislature, I have worked for and supported legislation to improve higher education and public schools, for water development and water pollution control, for increased tourism and other legislation to improve the economic development of West Texas and Texas. I will continue to work with our state government leaders to improve Texas as a place to live, work and play."

During the past session of the Legislature, Arledge proposed changing legislative rules concerning the operation of conference committees. He objected strongly to bills being changed completely in conference committee after all members of the House or Sen-

ate approved a measure. Many times, he said, the substance of a bill was changed in committee and House members were not even advised of the changes.

"If I am re-elected, I intend to introduce and work for passage of legislation which will prohibit the conference committee writing into a bill any proposals not included in either the House or Senate bills, and will also require that members of the two Houses of the Legislature be kept fully informed of any changes made in conference committee.

"This," Arledge continued, "will allow us to serve our constituents better and result in the Legislature more nearly reflecting the views of the people."

During the 59th Legislature, Arledge served as chairman of the Interstate Cooperation Committee. He also served on the important State Affairs, Oil and Gas and Mining, Livestock and Stock Raising, and Motor Traffic Committees. Between sessions of

the Legislature, he served on an Interim Study Committee studying the operation of livestock auctions.

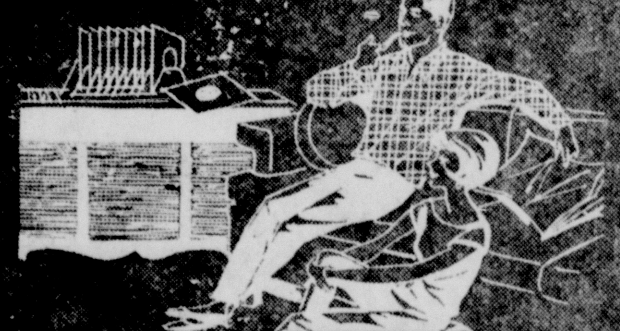

Arledge has a simple rule to guide him in the Legislature: "I try to be the kind of representative I would like to have representing me if I were not down there. I try to vote according to what I think is in the best interest of the people."

Arledge grew up on a ranch in Nolan County and attended Hardin-Simmons University for 1½ years before going into business on his own. He was in the ice manufacturing business and began many innovations in the industry. He has been in the ranching and registered Hereford business and has done much to promote the use of airplanes in agriculture.

Arledge served a total of six years on the Stamford City Council where he was helpful in building Lake Stamford. He has been awarded the Boy Scout Silver Beaver Award which few men have received in the history of the Chisholm Trail Council. He has held many local and state civic organization offices.

Presently, Arledge owns some lots in Abilene and is building several homes in the

Grand Jury Tours County Jail; Recommends Changes to Commissioners At Meeting Monday

Some changes need to be made in the operation of the Jones County jail. That was the observation of the grand jury which toured the jail when they met in a one day session the last of February.

The jail has been the scene of two escapes recently—one on December 5 and another Feb. 8. One escapee remains at large.

The county commissioners court Monday was presented a resolution adopted by the grand jury and signed by Nelson Shave of Hamlin as foreman, recommending that four changes be made.

First, the grand jurors recommend that the jailer be instructed to be more cautious in his handling of the trustees.

Second, that the jailer supervise the janitor work being done in the jail.

Third, that the trustees be locked in cells at night. And finally,

That a full-time cook be hired for the jail, but that the trustees do the cleanup work.

Trustees played a leading part in both of the escapes. In December it was a trustee who let a string out an upstairs window to which keys were tied by two outside accomplices. The trustee then unlocked the jail cells, enabling the prisoners to escape.

In the February escape, trustees choked Jailer Arden Beasley and took his keys so that the cells could be unlocked and freedom gained.

When the commissioners considered the resolution Monday, the decided operation of the jail was up to the sheriff. He had the right to do as he saw fit insofar as adopting the recommendations. The

court was emphatic, however, in its rejection of hiring a cook.

Several other items came up for consideration of the commissioners and when expenditure of money was concerned, they were reluctant to take action.

One request was made to buy medicine for a woman

Sue Roddy to Head Local FHA; Car Wash Set Sat.

Sue Roddy was elected president of the Hamlin Chapter of Future Homemakers of America at the meeting at the high school Monday evening.

Other officers chosen in the competitive election were Reonna Kay Robertson, first vice president; Sharon Hawkins, second vice president; Vicki Newland, secretary; Martha Robertson, historian; Beth Craig, reporter; Jerry Elliot, parliamentarian; Pat Perrin, sergeant at arms.

The officers will be installed at the beginning of the fall term and will serve during the 1966-67 school year. Plans were made for a car wash to be held all day Saturday. Funds raised with this project will enable the president and vice president to attend the state meeting in San Antonio.

Any F.H.A. member may be called for pick up and delivery of cars.

who has failing eyesight. The commissioners had previously approved purchase but Monday they questioned the husband of the patient and suggested that he should buy the medicine. An investigation will be made before any further purchases are authorized.

The commissioners passed over the bill for more than \$500 from the Abilene-Taylor County Welfare Unit to cover cost of caring for three children who were placed at the foster home by Judge Owen Thomas of 104th District Court. The children are from Jones County and were declared dependent children by the court.

County Judge Leon Thurman was instructed to check further in the case and determine the extent of the county's liability. "This could go on for months and we have no provision in our budget for such heavy expenditures," one commissioner said.

The court heard a proposal of a contractor to make repairs to the mortar between the bricks and stone of the courthouse but took no action, telling the man that the court would have to advertise for bids before such work could be done.

Approval was given the First National Bank of Anson to sell some bonds which had been pledged as security for county funds, and purchase others which carry a heavier interest rate.

Easter Seal Drive Tuesday Nets \$823.38

A total of \$823.38 was collected in the first phase of the annual Easter Seal Drive Tuesday downtown and in the door to door residential drive Tuesday evening.

Workers from the 2 Chapters of Beta Sigma Phi Sorority, members of Future Homemakers of America, and other volunteers worked during the drive.

The drive continues through next week when the cards will be distributed at the schools and April 2 when the Lily Sale will be held downtown.

Not included in the above amount is the money that has been pledged by individuals. It is expected that the completed drive will net \$1,200.

Board Names Committee To Study School Needs

A committee of 17 local citizens was named by the Hamlin School Board at their meeting Monday night to study the building needs of the school system and make recommendations back to the board.

Leldon Clifton was named chairman of the group and the other members will be announced after they have agreed to serve on the committee.

After discussing the problem for three months without

agreeing on a solution, the board voted to name the citizen's committee.

The committee will be given the needs of the system in the way of additional space and equipment needed and will be given the different

Three Cotton Production Meets Set Over County

There will be three Cotton Production Meetings in Jones County on March 21 and 22 according to Jones County agent, Kirby Clayton. The meetings will be held in the Stamford High School Cafeteria at 2:30 p.m. on March 21 and at Hamlin High School Cafeteria at 7:30 on Mar. 21. A third meeting will be held at the Noodle Ag Shop at 9:00 a.m. on March 22nd.

Clayton says that the meetings will feature three special ist in the field of Cotton Production from the Texas A&M University Extension Service, Fred Elliott, Cotton work specialist, B. G. Reeves, Cotton Mechanization and Ginning Specialist; and Emory P. Boering, Extension Area Entomologist will present the program.

All interested farmers are urged to attend one of these meetings.

proposals that have been studied by the board, along with the expected costs.

No date has been set for the first meeting of the committee.

Other action taken by the trustees at the meeting was to approve the report of the textbook committee for the books to be used in the system.

The contract terms of B. V. Newberry, Marvin Carlton, Miss Odean Murphree, Mrs. Jerry Smith, T. C. Blankinship, Joe Youngblood, and I. J. Starr were extended for an additional year. The contract of C. F. Cook, superintendent, was extended by the board at a previous meeting.

FFA Livestock Judging Team In Area Meets

Five members of the Hamlin FFA Chapter participated in the Livestock Judging Contest Saturday at the San Angelo Fat Stock Show. They were Randy George, Rick Shamblin, Gil Lain, Jackie Buske, and Bob Clifton.

Chapter members, trying out for the Livestock Judging Team will participate in the Midland Livestock Judging Contest Friday and in the Angelo State College Livestock Judging Contest Saturday.

Next Saturday, March 26, chapter members will enter the livestock and dairy cattle judging contests at Sweetwater.

Religious Survey Results Released

In the religious survey held here Mar. 5, 6, a total of 528 interviews were made. The estimate of the number of homes in Hamlin is 976, therefore the contacts made reflect 54% of the city.

Forty workers from Abilene Christian College and 15 members of the local Church of Christ made the survey all day Saturday and on Sunday afternoon.

Information concerning 832 persons was obtained, reflecting 759 church members and 73 who were unchurched.

Only 5 of the 528 homes were found to have no Bibles in the home. The total number of Bibles found in the survey was 1,642. Of this number, there were 1,370 King James Version; 104 American Standard; 63 Revised Standard Version; 53 Phillips or New English; 25 Catholic; and 27 others.

The questions asked in the 528 homes on church attendance showed that 7% never attend church, 20% attend church on special occasions; 45% weekly and 28% attend more than once a week. Thirteen percent never attend Sunday School. 23% seldom attend, 62% attend weekly and 2% attend monthly.

McCaulley Church Plans Revival

A revival at McCaulley Methodist Church will be held from Mar. 21 to 27, according to the pastor, Rev. Tommy Ewing.

The evangelist will be Rev. Luther Baker of the Sparanburg Methodist Church, near Lamesa.

Services will be at 7 p.m. each evening and at 9:45 a.m. on Sunday.

Bridge Winners

Winners at the Tuesday evening meeting of the Hamlin duplicate bridge club were North and South pairs: Mrs. Floyd Briscoe and Mrs. W. O. Willbanks, first; Mrs. Preston Morrow of Rotan and Mrs. Grady Bowdry of Stamford, second; Preston Morrow and Mrs. G. W. Comegys, third.

East and west pairs: Dale Lain and Floyd Briscoe, first, Mr. and Mrs. Henry Albritton, second; and Mrs. Mac Brundage and Mrs. Starr Inzer, third. The club meets each Tuesday at the Oil Mill Guest House.

George Deel of Abilene visited in the home of his parents, Mr. and Mrs. Bill Deel over the week end. They attended the 50th wedding anniversary celebration for Mr. and Mrs. R. H. Merritt of Snyder held in the home of a son, Dr. Shannon Merritt.

Thursday night there was an Open House at McCaulley. This was a fine opportunity for parents and other interested individuals to find out what is going on at our school. A large crowd attended, we are not sure whether they came to see what the students are doing in school or to play volleyball. Some of the mothers and fathers showed real athletic potential. Some may even make the team instead of the students.

Friday, while most of the schools in the area had dismissed for the teachers meeting, the doors opened at McCaulley bright and early for another day. There were a few mumbles coming from some of the students but the teachers were very understanding and didn't assign too much homework over the week end.

Having school seemed to bring the boys luck, because Friday the jackets finally ar-

rived. Now wouldn't it be nice if we had a cold spell. Monday everyone struck out to Anson for the first big skating party of the year.

Tuesday there were many stiff backs and bruises on account of the previous night's activities, if wishes came true we're almost sure it would be Saturday, especially when that alarm rang at 6:30 and some were unable to get up.

Well, the seniors' invitations have arrived, should we say, part of the invitations have arrived. It seems while coach Morgan was sorting out the orders he found we were a few too short, like 75. However we have 250 extra thank you cards on hand. We are not sure whether the company got mixed up or if some of the seniors are counting their chickens before they hatch.

MHS students are engaged in quite an assortment of activities this week. Those who belong to the I-H club see a lot of getting that last minute rush before district contests in Wichita Falls next week end.

The boys are getting in shape for the big track meet at McMurry sometime this month. Jeanne Acklin and Martin Hernandez will represent MHS in the Interscholastic Typing Contest.

The FHA girls will be going to the Area Meeting at Mc-

land Saturday. Due to this we are brushing up on our duties.

This week the members are learning the ten national objectives which are: Individuality Counts; Good Health; A Valuable Asset; Jobs, Careers and You; Morals and Manners Matter; Good Family Relations Through Communication; Citizenship Challenges You; Your Neighbors Near and Far; Make Your Money Reckon; and Leisure Time — Constructive Time. Each member should choose one of these objectives and work toward carrying it out.

McMurry Pledges

Abilene — Two Hamlin men have pledged social clubs on the McMurry College campus for the spring semester. They are Roland Doyle Bell, and Jerry E. Duncan. Bell has pledged IHR social club and Duncan has pledged KIVA social club.

Bell, a sophomore at McMurry, is the son of Mr. and Mrs. Byron O. Bell. He is a

social studies major at McMurry.

Duncan, a junior at McMurry, is the son of Mr. and Mrs. Edgar Duncan. His major is business. He is a 1962 graduate of Hamlin High School.

On Honor List

Wanda Kay McCoy, sophomore at Texas Tech's School of Home Economics, was named to the Dean's Honor List for the fall semester.

To be eligible, a student must earn a semester grade-point average of 3.00 or above.

Kay is the daughter of Mr. and Mrs. J. E. McCoy Jr.

Volleyball Meet

The Anson Volunteer Fire Department will sponsor a men's and women's volleyball tournament Mar. 24-26 at the Anson High School Gym.

All area teams are invited to participate and may contact Jack Pitcock at VA 4-1204 or Dennis White at VA 4-1589 in Anson. Entry fee will be \$8 per team.

DISTRICT CHAMPS — The Hamlin Eighth grade basketball boys captured the district championship with an undefeated season this year. Under the leadership of Grady Allen, coach, the boys received three first place tournament trophies and the district trophy. The team includes, left to right, Davis Wegver, Steve

Gibson, Billy Hodnett, Gary Don Maberry, Hector Orona, Charlie Shira, Gary Smith, Mike Owen, Robert Bolden, Charlie Pearce, James Holt, and Jerry Covington. The manager is Leldon Lewis Clifton. —(Tim Jones Photo)

Eldon Mahon Makes Statement In Bid for Congressional Seat

Eldon Mahon, Abilene attorney and businessman, has issued the following statement concerning his candidacy for the office of U. S. Congressman from the 17th District:

"I feel that there is a definite need for change in our district's representation in Washington. If I didn't feel this way — and if I had not found a substantial amount of agreement among voters with whom I've talked — I wouldn't be making the race.

"My reasons for feeling that we need a change are based on my belief that our district has not always been represented in the past with the kind of initiative and enthusiasm I think is required to get the results our district needs and deserves.

"Since announcing my candidacy originally, I have personally visited all twenty-four counties of the new 17th district and have been extremely gratified by the widespread support and encouragement I've encountered. There appear to be many who feel as I do that it is time for a change.

"If elected, I will start working immediately upon my arrival in Washington to be assigned to those committees which deal with the problems directly affecting our new district, and in this way endeavor to get something concrete accomplished for it.

"The scene of action is now in the national Congress. We of the new 17th district must make our voice heard in Washington, stronger than it has been in the past. We need a representative who is truly concerned with the new 17th district's needs, one who will listen closely to all the people, then champion their interests in an aggressive, effective manner. If elected, I intend to be that kind of Congressman.

"Although I have been a Democrat all my life, I will not be a 'rubber-stamp' Congressman for the Administration's programs. Nor on the other hand, will I be a rubber-stamp opponent of measures that mean real progress. . . .

ELDON MAHON
... Seeks House Seat

saying 'no' automatically each time a worthwhile new proposal comes up.

"I believe that too much control of our government's affairs has passed out of the hands of Congress, and into the hands of the regulatory and administrative agencies. This authority, which has been lost by default, must be reclaimed by the Congress. The trend of surrendering authority to agencies and commissions — who are supposed to administer the laws instead of make them — should be halted. I think it is time that Congress recognize this usurpation of its power and authority, then the people lose theirs, for Congress is the voice of the people.

"One of my most important objectives is to get something done about our district's water situation. There is no greater problem facing the new 17th district than the need for adequate water, now and in the future. I will work for and support any feasible legislation that promises to create greater water resources for our area. Such legislation is a must, because we don't have enough water as it is, and to neglect it further would be to compound a tragedy. The problem is of such magnitude that it is going to require great study, imagination

and vision to solve it. I, for one, am ready to begin.

Farming is another area in which something must be done that would be of direct benefit to our district. I believe that the present Omnibus Farm Bill places too much authority in the hands of the Agricultural Department and its Secretary. A glaring example of this is the arbitrary policy ruling by the Department which changes skip-row planting in such a way that it works a great hardship on most of our district's farmers. If elected to Congress, I will start working at once to get skip-row planting rules amended so that our farmers can again engage in the kind of farming that is most productive and profitable for them.

"The oil and gas industry is, of course, vital to all of us in the district and — as a Congressman — I would support legislation aimed toward putting it in a healthier condition. Oil and gas is a prime business — an indispensable business — and contributes heavily to the welfare of the district. I am in full accord with the 27 1/2% oil depletion allowance, and would resist any measure that would seek to change it.

"As to my position on government spending, I might point out that I have always been opposed to excessive federal spending, and see no excuse whatever for the kind of waste in government that we have tolerated in the past. There is no justification for deficit spending except during times of national emergency. These are prosperous times and it is now that we should be paying the national debt, rather than creating more of it. After all, if we don't pay off our debt during good times, when do we pay it?

"Regarding Viet Nam, I will always support an unyielding stand against communism, and I feel that there is no other tenable position for us to take in Asia than that which the President has taken. We simply cannot afford to be soft toward an ideology that has set out to destroy our own way of life. At all times, of course, I believe we should keep the doors open for possible negotiations that would bring about a

peaceful solution to open conflicts such as we have in Viet Nam. Our goal there is to stop aggression on the part of the communists toward a peaceful people who have every right to seek their own destiny."

Mahon is running for the congressional seat now held by Rep. Omar Burleson of Anson. He is a native of Lorraine, Texas, son of a pioneer West Texas family, and a graduate of McMurry College and the University of Texas.

A former District Judge and District Attorney, Mahon is a partner in the Abilene law firm of Mahon, Pope and Glandon, and is a partner and general manager of radio station KVMC in Colorado City, in addition to maintaining farming interests in Mitchell County, Texas. His wife is a registered nurse, a graduate of Hendrick Memorial Hospital School of Nursing in Abilene, where they own their own home.

Mahon is on the board of trustees of McMurry College, is active in the Chamber of Commerce, the Lions Club and many other civic organizations, and is an overseas veteran of World War II.

SYLVESTER NEWS...

By Mrs. R. M. Babb
It is a beautiful day this Monday, just hope it continues for a few days but guess if it does all the fruit trees will bloom and get killed, surely hope not.

We had a nice number in Sunday School and church on Sunday even though there were several of the regular members out. We were glad to have Mrs. Buddy Williams and daughters of Big Spring with us.

Our sympathy to the family of Herbert Williams, his funeral was held on Monday p.m. We shall miss Herbert.

In the Gordon Davis home over the week end were their son and family of Midland.

Buddy Williams and family of Big Spring visited in his Mother's home over the week end.

Johnny Tankersly of Ft. Worth spent the weekend in the home of Ernest Kiser.

Mr. and Mrs. Joe Spikes, Mr. and Mrs. Derwin Maberry and children of Abilene spent Sunday in the Roy Kiser home.

Mrs. Homer Pursley's father, Mr. Adams of Sweetwater, spent several days in their home this past week.

Mr. and Mrs. W. B. Brown spent the weekend in Lubbock visiting their son, Bill, and family.

Mr. and Mrs. Willie McTurner spent several days with Mr. and Mrs. Fred Turner.

Mr. and Mrs. Charles Scott and Mrs. Ella spent the day with Butch and Helen, but really it was with J.C. and Hank, in Anson.

Mrs. Carra Perkins is spending a couple of weeks in Lubbock with Raymond and family.

Jamie Beck has been sworn into the Navy and will begin training in Sept. after he receives his Master's Degree from Texas Tech. in June, he will spend the summer months at home.

I just talked to Billy Wayne

FAIRVIEW NEWS...

By Mrs. Elmer Joiner
This Monday morning is the second pretty day of March. Sunday being a lovely day. However this day is not over yet, you never can tell about March weather, before the day is over the whole elements may be full of sand. No rain has fallen recently. Friday night's thunderstorm fizzled out, leaving only a shower.

We are very happy to report that George Wainscott is recovering very satisfactorily in the Hendrick Hospital, after having the surgery last Tuesday morning as had been scheduled. No complications have arisen, although it was a painful surgery and what surgery isn't, and if he continues to do as well until Tuesday morning he will be released from the Hospital.

Three ladies from our church attended the all day meeting of the W. M. U. at Neinda Baptist Church, last Monday. Those attending were, Mmes. Fred Rosenbaum, Woodrow Goodwin and Elmer Joiner. A good fellowship was enjoyed and a lovely meal served at noon.

The Fairview Church was the host church last Wednesday night, for the rural church Brotherhood and W. M. U. meeting. Having the Lonnie Doyle family with us, there was no other program. Hearing these missionaries talk and seeing their slides, of their work in Brazil, made us all more aware of mission work than weeks of lessons would have. A love offering for the DoYLES was taken. Refreshments of pie, cake, coffee and pops, were served. One other good thing about the meeting was seeing Mr. and Mrs. Johnnie Agnew having charge of the singing once again at their old spot. They were our song leader and pianist for more years than they might like to have told.

Mmes. Woodrow Goodwin, Winson Gray and Elmer Joiner, attended the meeting in Anson, at the Fellowship Hall of the Baptist Church, last Monday afternoon, on Food Preservations. This was

brought by Frances Reason-over, food specialist from A. and M. College. Although most of the older ladies present had learned much of what she told, back in the depression days by hard work and experience, there was still a lot to be learned by her talk by even the oldest of us.

Mrs. Henry was so lonesome Sunday to see some of her children, so when they got home they found a son, Hr. and Mrs. Clois Henry and children, from San Angelo, had come to visit a while.

I saw something last Thursday that did me so much good that I want to share it with the many friends of Mrs. Lois Hampton, of Abilene. It being my day to take her to the Rehab. Center, was waiting for her finish, when I looked up and saw her come walking down the hall, all by herself. They have taught her to walk with the aid of a special crutch, made for those in her condition. She may never run any races, nor get around very fast, but only someone that has been in her condition the last year and a half, can appreciate just getting up on your feet and walking once more, however slow and hard it may be.

Last Monday afternoon, Mrs. Vida Baker and Mrs. Ora McCollough, of Rule, visited their friends Mr. and Mrs. E. A. Henry. Having spent many years in Rule, Mr. and Mrs. Henry have many friends and relatives there. Saturday afternoon, Mrs. Henry attended the wedding gift tea, at that place, for their niece Miss Ann Henry. Miss Henry will be married April 9.

Was nice to have Mrs. Newland's grandchildren in church with her Sunday morning, Doug Elliot, Tavonna and Tamara Newland.

Mr. and Mrs. Joe R. Rosenbaum spent part of the long week end with his parents, Mr. and Mrs. Fred Rosenbaum. Mrs. Rosenbaum teaches in the Pampa schools and like all other teachers and pupils, got Friday off.

Ronald and Jeannie Joiner

took advantage of their school vacation, to spend Friday and Saturday with Granddaddy and Grandmother Joiner.

Mr. and Mrs. Charlie Pyron were Sunday guests of her brother, Mr. and Mrs. Winson Gray, accompanied by their parents, Mr. and Mrs. E. C. Gray, of Anson. After lunch they all went to Sweetwater to see the rattlesnakes. Mrs. Gray said Sunday night she was afraid to go to sleep for fear of dreaming of rattlers.

Mr. and Mrs. W. S. Newland went to Gatesville, last Thursday, to attend funeral services for the infant daughter of Mrs. Newland's nephew, Mr. and Mrs. Kermit Veazey. The infant was three months old and died of a heart defect. They have a son three years old.

Due to the cancellation of the preacher that was coming from Abilene, no preaching was had Sunday morning but Sunday night, Spencer Liles, from Hamlin, spoke to us. He had been with us before and we do enjoy having him. We still do not have a pastor.

Mr. and Mrs. Woodrow Goodwin and Linda and Mr. & Mrs. Elmer Joiner, went to Abilene Sunday afternoon to visit with the George Wainscotts in the Hospital. Then back to Anson Hospital where they visited with their cousin, Webster Beauchamp, a surgery patient. Mr. Beauchamp was scheduled to go home Monday.

**EVERYONE
HAS
PROBLEMS**

"Boy, take it from me, leading a dog's life ain't no bowl of cherries. It's always get offa this and that, and boy, what happened to me, when I turned over the lamp!"
Our life may not be a dog's life, but everyone does have problems and always will. God does not promise that even his good and faithful children would be without problems, but He does promise strength to bear our problems. Attend church Sunday, renew and strengthen your life by leaning on the Lord.

OLD GLORY...

By Judy White

Old Glory teachers hosted the Stonewall County Teachers Association meeting here in the cafeteria last Thursday night. Entertainment was furnished by the one-act play cast and magic tricks were performed by Mrs. Mordant McKinney of Rule.

Linda Gholson, student at Odessa College, is a patient in the Stamford Hospital. Her parents, Mr. and Mrs. Cliff Gholson, went to Odessa after her when she became ill last week. Speedy recovery Linda.

Mrs. Thomas Letz of Lubbock spent the week end here visiting her parents, Mr. and Mrs. Carlton Pierce, and also Thomas's parents, Mr. and Mrs. Charlie Letz.

Ann Vanderworth, student at Texas Christian University in Fort Worth and one of her girl friends spent the weekend here visiting Ann's grandparents, Mr. and Mrs. Oscar Vanderworth.

Mrs. Ed Mischer of Abilene suffered a broken arm from a fall while she was here visiting relatives last week.

VARIETY CLUB

The Old Glory Variety Club met in the home of Mrs. Beno Hertenberger last week. Refreshments were served to eight members. Games of 84 were played. The next meeting will be in the home of Mrs. Charlie Letz March 29.

Mrs. Kuno Mischer was a patient in the Stamford Hos-

pital several days last week. We wish her a speedy recovery.

Old Glory had .35 inch of rain with a little hail last Friday night, March 11. In checking our records we found this community had .35 inch of rain Mar. 11, 1965, which was the only rain we recorded in March last year.

Visitors in the home of Mr. and Mrs. Bill Tipton last week were their granddaughter and family, Mr. and Mrs. Donnie Williams and Rachel Ann. Mr. Williams returned from Viet Nam last week where he completed duty with the armed forces. Mrs. Williams is the former Donna Bradshaw. Mr. and Mrs. Tipton took them back to Kentucky where they will make their home. The Tiptons are also planning to go to Alabama during their trip to visit their daughter and family there.

STONEWALL 4-H HORSE CLUB ORGANIZED

The Stonewall County 4-H Horse Club was organized Monday night in the county Courtroom. Officers were elected with Susan Martin serving as president, Tommy Walker as vice president, and James Branch as secretary.

A total of 24 kids and 11 adults attended the meeting.

On March 20, at the Rodeo Grounds in Aspermont, there will be the first practice day for the club. Anyone who wants to join, may do so until then.

National Cotton Council Urges Passage of Cotton Research and Promotion Act by Senate, Producers

Memphis, Tenn. — Unless something more is done to reduce the cotton carryover, growers will face further cuts in acreage and the entire economy of cotton areas will suffer heavily.

Leading producers across the Belt believe the only solution is to develop better cotton products and to sell them in greater volume, the National Cotton Council points out. This cannot be accomplished without greater increased funds for research and promotion.

A mechanism to permit growers to build such funds is provided for in the Cotton Research and Promotion Act, developed by producers. Recently passed by the House of Representatives, the measure would allow growers to vote on establishing a uniform assessment of \$1.00 per bale for research and promotion.

Producers point out passage of the bill by the U. S. Senate, and a favorable vote in the referendum, could mean life or death to incomes of farmers and areas dependent upon cotton.

Most areas soon will feel the ill effects of this year's drastic cuts in acreage. There are strong indications this is only the beginning unless something is done to reduce the carryover which is due to hit a record 16.5 million bales this year.

Cotton now is competitive in price with rayon and foreign cotton. However, it is losing out to the higher-priced fibers, such as nylon and polyester. These fibers now have a total market in the U. S. that equals nearly seven million bales of cotton. Over two million bales were gained in the past two years.

New plants with capacity equivalent to more than 3.5 million additional bales of cotton are scheduled to be operational by the end of next year.

In 1961, growers began boosting research and promotion through the Cotton Producers Institute. With a voluntary assessment of \$1.00 per bale, they raised \$3 million a year. Then CPI's income leveled off and threatened to drop.

Producers were stymied by the problem of how to get a reasonably uniform collection from some 500,000 different farmers across the Belt. Man-made fiber producers do not face this problem; their small boards of directors can provide funds without hesitation.

The Cotton Research and Promotion Act would give farmers the opportunity to unite their actions and funds. This would occur when at least two-thirds of the farmers voting in a referendum, or farmers producing two-thirds of the volume grown by those voting, approve the plan. If a farmer did not want to participate, his money would be refunded without argument.

A group of trustees composed of farmers elected by cotton producer organizations in various states would have full responsibility for developing and carrying out the research and promotion program.

The \$1.00-per-bale rate could not be changed unless farmers vote to do so in another referendum. Funds will be col-

Application Blanks for Medicare Benefits Available At Post Office

Postmaster Perry Sparks of the Hamlin Post Office announced today that application blanks for supplemental Medicare benefits are available at the service counter of the Hamlin Post Office.

The application blanks are being made available as the Social Security Administration seeks to contact 3.1 million senior citizens before a March 31 deadline imposed by the Medicare law.

President Johnson has proclaimed March as "National Medicare Enrollment Month." He urged all federal agencies and all citizens to cooperate in enrolling senior citizens in the program.

Initially, some two and one-half million application blanks were distributed to nearly 34,000 main post offices throughout the 50 states. Additional forms are available as needed.

Through direct mailings and other means, the Social Security Administration has had contact with 16 of the 19.1 million citizens who will be 65 or over on July 1. Of the 16 million who replied, less than one million said they did not want to sign up for the supplemental program.

The supplemental program costs \$3 a month and provides doctor bills and other benefits. Everyone 65 and over is eligible for the basic hospital benefits under Medicare.

A copy of the application blank is displayed on the lobby bulletin board of the Hamlin Post Office.

Senior citizens who reached 65 before 1966 face a two year

delay if they do not sign up by March 31. The application forms are preaddressed to the Social Security Administration in Baltimore, Maryland.

Mr. and Mrs. Jim Waylon Williams of Sweetwater are parents of a boy, Jim Randall, born May 12 at 3:03 a.m. He weighed 7 lbs.

The Senior Class has been busy these past few weeks getting ready for the coming play, "Tiger House," a mystery, will be presented April 1. Tickets will be available soon from members of the Senior Class.

Many of the band members have been hard at work getting ready for their Solo and Ensemble Contest. The members journeyed to Midland Saturday. For many all the work and worry seemed unimportant when they won first, second, or third.

"The Leader of the People," a touching drama based on a story from John Steinbeck, has been chosen for presentation in the district one-act play contest at Stamford on

March 29. Mrs. Charles Scott will direct the play.

Chosen as the cast are Jimmy Hawkins, Randy Morgan, June Hill, Sue Roddy, Dalton Lyon, and Jimmy Stuart. Assisting in the production are Geneva Ward as student aide and Larry Braley and Robert Moore as stage crew.

Stage Degrees have been finished and sent on their way. The FHA girls have worked long and hard on these degrees. The FHA met Monday night, for the election of new officers.

On Mar. 5 the band went to Sweetwater and won first in sight reading. The Lewisville band won first in concert.

The U. S. Supreme Court in George Washington's administration was composed of a chief justice and five associate justices.

Clayton Urges Livestockmen To Report Larvae

Screwworm eradication program officials are concerned because of the number of larvae samples they have been receiving is at an all time low according to Jones county agent, Kirby Clayton. If any screwworms survived the cold winter weather, they could be going undetected, Clayton says.

The agent urges local farmers and ranchers to get back into the habit of checking for screwworm infestations and reporting all suspected cases, along with a sample collection to the local county agent's office for identification.

Clayton also urges ranchers and farmers to treat all wounds and infestations to keep screwworm infestations down to a minimum. Sample collection kits are available at the local county extension

RECEIVES KEYS TO NEW MUSTANG— Mike Young, 241 N. W. Ave. B, receives the keys to a new Mustang in front of Heidenheimer's from Bill Chapman, right, assistant manager. Mike is a first prize winner in a nationwide contest sponsored by Haggard Slacks. He received his entry blank at Heidenheimer's.

The prize is a new, fully equipped dark blue 1966 Ford Mustang. Mike was one of 5 consumer first prize winners in the contest which pulled over 180,000 entries.

Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—\$2332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past few weeks. And every week there are 72 new winners posted on the showroom wall. So watch for next week's list of new symbols in this newspaper.) No slogan to

invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number. While you're in the showroom, get a good look at the Buick Special. The \$2332.00 happens to be its price. Manufacturer's suggested retail price for Special V-6, 3-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge.

Contest Rules. Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. J. Polk and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

Roy Arledge Makes Statement In Bid for Re-Election to House

State Representative Roy Arledge, successful West Texas businessman and veteran civic worker, has announced his candidacy for re-election in District 62F which is composed of Haskell, Jones and Taylor counties.

"I am offering my services based on my record and experience," Arledge said. "While in the Legislature, I have worked for and supported legislation to improve higher education and public schools, for water development and water pollution control, for increased tourism and other legislation to improve the economic development of West Texas and Texas. I will continue to work with our state government leaders to improve Texas as a place to live, work and play."

During the past session of the Legislature, Arledge proposed changing legislative rules concerning the operation of conference committees. He objected strongly to bills being changed completely in conference committee after all members of the House or Sen-

ate approved a measure. Many times, he said, the substance of a bill was changed in committee and House members were not even advised of the changes.

"If I am re-elected, I intend to introduce and work for passage of legislation which will prohibit the conference committee writing into a bill any proposals not included in either the House or Senate bills, and will also require that members of the two Houses of the Legislature be kept fully informed of any changes made in conference committee."

"This," Arledge continued, "will allow us to serve our constituents better and result in the Legislature more nearly reflecting the views of the people."

the Legislature, he served on an Interim Study Committee studying the operation of livestock auctions.

Arledge has a simple rule to guide him in the Legislature: "I try to be the kind of representative I would like to have representing me if I were not down there. I try to vote according to what I think is in the best interest of the people."

Arledge grew up on a ranch in Nolan County and attended Hardin-Simmons University for 1½ years before going into business on his own. He was in the ice manufacturing business and began many innovations in the industry. He has been in the ranching and registered Hereford business and has done much to promote the use of airplanes in agriculture.

Arledge served a total of six years on the Stamford City Council where he was helpful in building Lake Stamford. He has been awarded the Boy Scout Silver Beaver Award which few men have received in the history of the Chisholm Trail Council. He has held many local and state civic organization offices.

Presently, Arledge owns some lots in Abilene and is building several homes in the
